**GET A <sup>^</sup>VIBRATOR KIT  
FROM VIBCO**

**VIBCO  
VS-250 Pneumatic  
Vibrator**

"This small vibrator does a great job of preventing build up in the charge hopper. I don't have to shovel like I did before. And I'm glad they've decided to put one of these vibrators on all the trucks in our fleet."

VIBCO VIBRATORS FOR READYMIX APPLICATIONS

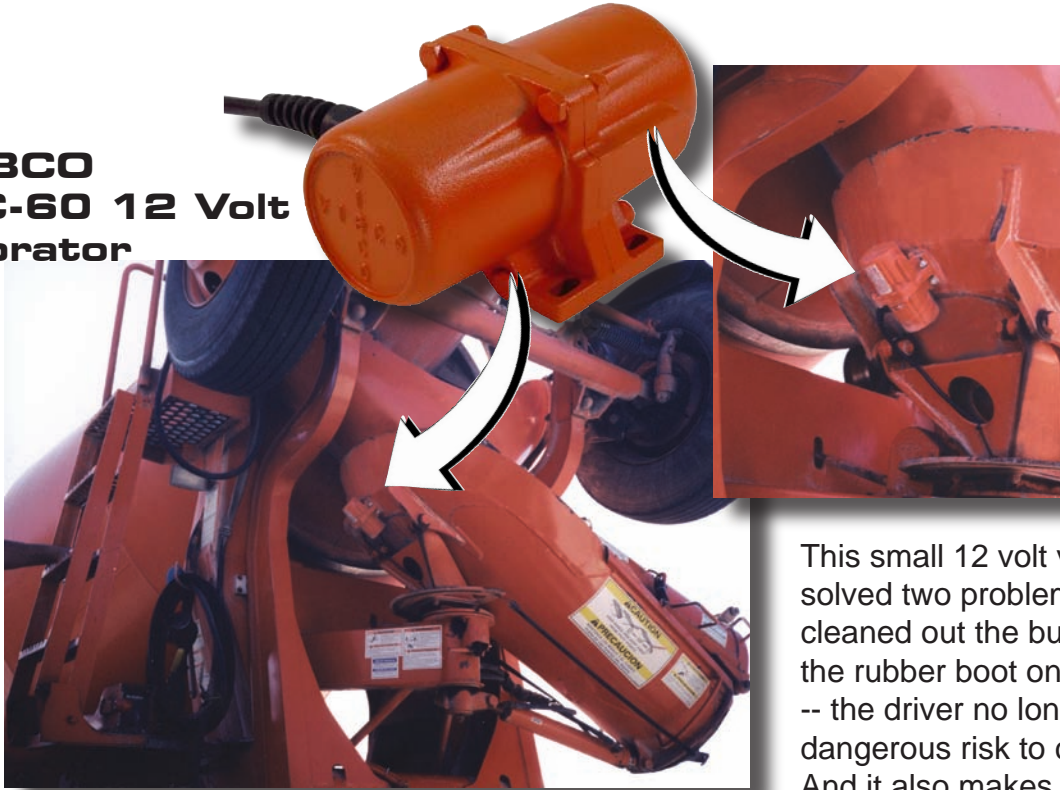

We're The **CONCRETE** Vibrator Guys.™

## **VIBCO VIBRATORS** for Ready Mix Trucks

**Solve two problems  
with one vibrator!**

### **VIBCO DC-60 12 Volt Vibrator**

### **VIBCO DC-60 12 VOLT VIBRATOR**

#### **SAVE TIME & MONEY:**

- Prevent concrete build-up and product waste
- Increase pouring capability - even stiff mixes will flow like water
- Reduce pouring time and get to the next job faster

#### **EASY INSTALLATION:**

- DC-60 works off of the truck's battery
- No lubrication required
- Complete mounting and wiring kits available

**Ideal for trailer mounted pumps too!**

This small 12 volt vibrator solved two problems for us. It cleaned out the build up behind the rubber boot on our chute -- the driver no longer takes a dangerous risk to clean it out. And it also makes a stiff mix flow like water, making delivery fast and easy. We've put them on our entire fleet!
